TRANSITION *2nd Annual!* Mini-Conference 2019

**SATURDAY, MARCH 23, 2019
AT EXETER HIGH SCHOOL
9:00 A.M. - 3:00 P.M.**

Exeter High School in collaboration with Epping, and Raymond High School, are partnering together to bring this event to our community. Attendees will learn about transition services/accommodations that are available in our community.

We will be showing the movie “Intelligent Lives”

From award-winning filmmaker Dan Habib comes **INTELLIGENT LIVES**, a catalyst to transform the intellectual disability label from a life sentence of isolation to a life of possibility for the most systematically segregated people in America. **INTELLIGENT LIVES** stars three pioneering young American adults with intellectual disabilities - Micah, Naieer, and Naomie - who challenge perceptions of intelligence as they navigate high school, college, and the workforce.

PARENTS PARTNERING IN TRANSITION is a group run by Exeter High School parents, supported by EHS staff/administration. Our goal is to gather parents of students supported by IEPs and 504 plans to share resources that support our children as they transition to life after high school. Our group is open to all families.
